The Power of Your Belief is what will save You.

The purpose of this communication is to remind You of Your Power of Belief.

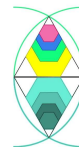

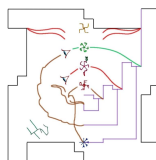

This is accomplished by My Power of Belief.

This document is Historical Evidence of Higher Power.

This Historical Evidence is an Allowance for Faith over fear.

A Bona-Fide American shall have the Power of Belief, in the CREATOR GOD OF NATURE :::

That is precisely the source of Your Unalienable Rights :: |GOD|.

Multiplication Tables for Numerals 0 – 9 are shown in the charts to the left.

When a two-digit number was produced from multiplying, those two numbers were added together.

Observations

There is a negative symmetry (mirror effect) between numerals (0, 9) (1, 8) (2, 7) (3, 6) (4, 5).

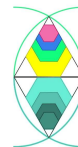

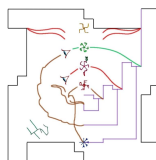

These all add up to nine.

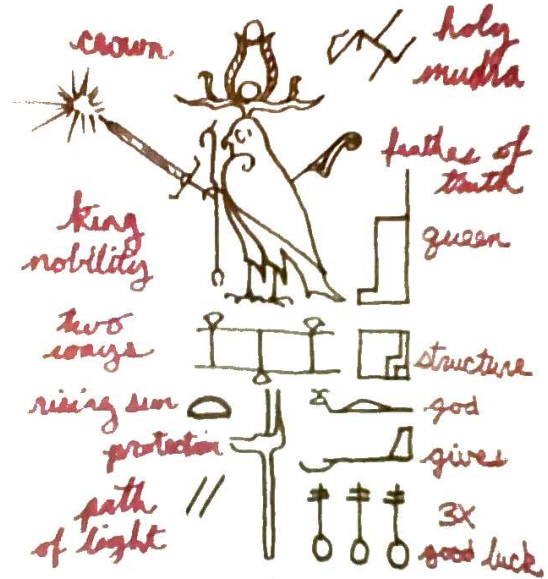

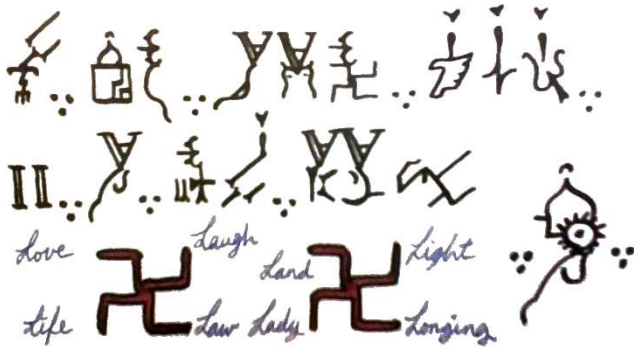

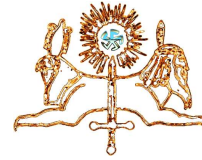

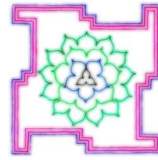

Complexity increases away from (0, 9).

The (3, 6) set is a special set.

There are numerous ways to analyze this set of information – this is just one way. No real conclusions are drawn at this time.

the rights shall be protected."
